

The Legacy Sale Worksheet

Reflect. Remember. Release. Move forward with peace and purpose.

Introduction: Your home has been more than a roof– it's been a part of your story. At Today's Home, we believe every sale is also a moment to honor what this home has meant to you and prepare for what's next. This simple worksheet helps you pause, reflect, and release so you can step into your next season with peace and clarity.

Reflect on Your Home's Story

- What memories make you smile when you think of this home?
- What milestones happened here – family gatherings, first steps, quiet mornings?
- How has this home blessed your life and those you love?

Acknowledge the Transition

- What excites you about this next chapter?
- What do you hope your buyers will experience here?
- Are there lessons you're taking with you from this season of life?

Celebrate and Release

Write a short note or prayer of gratitude for the home you're leaving behind.

"Lord, thank you for this home and the memories made within it. May it bless the next family as it has blessed us."

Look Ahead

List what you're most looking forward to in your next home or season.

- What do you want this next space to represent?
- What new traditions or dreams will you create there?

Closing Message: At Today's Home, we see every sale as more than a move – it's part of your legacy. We'd be honored to help you through your next step. Find more resources
